STATUS INQUIRY

Hon. Commissioner of Patents
and Trademarks
Washington, D. C. 20231

Sir:

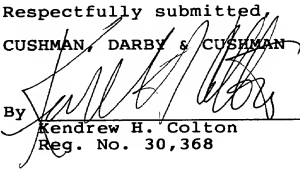

Applicants herewith propound the following status inquiry to the Patent Office concerning the subject application.

The present application was filed on January 7, 1986 as a continuation of parent application Serial No. 347,026. The present application is entitled to the benefits of 35 U.S.C. § 120 with respect to said parent application by virtue of a court order dated February 11, 1986. The U.S. PTO Solicitors' Office agreed with the order inasmuch as the Solicitor's Office was a joint movant on the motion for such Order. A copy of the U.S. Court Order was filed in the U.S. Patent Office as an attachment to Applicants' September 11, 1986 "Citation of Court Order".

FUSSI et al., USSN 816,838

No filing receipt, action or any other communication from the Patent Office has been received since the filing of this continuation application January 7, 1986. Accordingly, the present status inquiry is believed appropriate.

Respectfully submitted,
CUSHMAN, DARBY & CUSHMAN
